## Announcement of Winter Term Course and Schedule Changes

Certain course offerings for winter term merit special attention of students. For example Ed. 470, Special Education, and Ed. 483, General Intelligence Testing, will be offered winter term only, and are requirements for special education minors. Ed. 451, Pre-Primary Education, is offered winter term only, and is a requirement for a kindergarten minor. Eng. 12, Remedial Speech, a non-credit course, is available 2nd period on Tuesdays and Thursdays. Eng. 247, Appreciation of Drama, has been added for winter term.

Following is a complete list of schedule changes for winter term:

### EDUCATION & PSYCHOLOGY

1. Education Psychology, Ed. 312, will be taught by Dr. Walker.
2. Intermediate and Upper Grade Education, Ed. 359, both sections, scheduled for Dr. Albin, will be taught by Mr. Francis.
3. Intermediate and Upper Grade Education, Ed. 359, scheduled for 3rd period, has been changed to 2nd period.
4. Elementary Tests and Measurements, Ed. 418, will be taught by Dr. Walker.

## All Are Asked To Conserve Power

All students and all members of the OCE staff are asked to voluntarily eliminate all waste of electricity. The large users of electrical light and power have been ordered to make reduction of at least 10 per cent in their weekly consumption of electricity. There is danger that the shortage will become so severe as to require even further cuts. Electricity should be saved as far as possible so that defense industries will not be impaired.

In a recent meeting of department and office chairmen it was agreed that the first step was to enlist the cooperation of all members of the OCE student body and staff. This is not a request to limit the use of light where light is needed. It is to call to the attention of everyone to eliminate all waste by turning out lights in the empty classrooms, corridors, and rooms in the dormitories.

The Oregon College of Education falls in the category of users whose consumption is sufficiently large to require cutting, except for the fact that regulations exempt schools from forced cutting. Despite this exemption, OCE is required to file with the Bonneville Power Administration, through the Monmouth City Light and Power department, a report indicating the amount of electric current which can be saved. The regulation reads as follows:

"... each such (exempt) consumer using in excess of 8000 kilowatt hours per week shall notify the electric utility from which he obtains power of the steps taken and of his estimate of savings of energy involved."

## Postl Nominated to National Nature Board

Mr. Anton Postl has been nominated to fill a position on the National Board of Directors of the American Nature Study Society. Five others including the president of SOCE have been nominated.

5. Audio-Visual Aids, Ed. 435, both sections, have been re-scheduled as follows: 1st section, 9-11 on Tuesdays and 10-11 on Thursdays; 2nd section, 2-4 on Tuesdays and 2-3 on Thursdays.

6. Pre-Primary Education, Ed. 451, three credits 7-9:45 p.m. on Thursdays, CH 110, Dr. Hocking, has been added.

7. Applied Mental Hygiene, Ed. (Continued on Page Two)

## Color Blue Makes Frosh Dance Unique

A unique setting was found by all at "Shades of Blue," the annual freshman-sponsored dance, held last Saturday evening in Maple hall.

Blue clad couples entered the dance floor through a tree-lined lane. Windows covered with snow, revealed the various shades of blue which went into the decorations. A large snow-covered evergreen tree served as the centerpiece.

A "Potato" dance was held as one of the entertainment features. Johnny Davis, freshman pianist, also entertained with several selections, among which was "Boogie Woogie Bugle Boy."

Those attending the dance were required to wear some shade of blue as part of their admission.

Orange punch was served and in keeping with the theme, blue cookies accompanied the punch.

Virginia McCullen was general chairman of the dance, ably assisted by the following committee heads: Dot Swigart, decorations; Sharon Strand, refreshments; Karen Woll, entertainment and Johnny Davis, publicity.

## List Pre-Scheduling Rules

Students planning to register for winter term should be pre-registering this week, beginning Dec. 8 and ending Dec. 12. The purpose of pre-scheduling is to permit students and counselors to plan study schedules in a thoughtful and orderly fashion, away from the rush of registration day.

Because registration on January 5 will be only one-half day from 9 a.m. until noon, students are especially urged to do all pre-registering now so they will be ready to register during the morning of January 5 when the faculty members are readily available for approving schedules and accepting class roll cards.

Steps in pre-scheduling are as follows:

1. Students will obtain two copies of yellow trial study sheet and one copy of schedule changes from the registrar's office.
2. A proposed study schedule will be prepared in duplicate prior to conference with counselor.
3. Counselor and student will discuss schedule and make any necessary changes. Counselor will initial one copy and return it to student, and retain one copy for files.
4. Student will present initialed copy of schedule at registrar's office and obtain registration materials. Those who have been approved for the teacher education program should present their blue admission card when calling for registration material. These materials will be completed and retained by student until registration day, January 5, 1953.
5. Counselor will initial main white schedule card after student has been admitted to all classes on registration day.

## Alexander's Ragtime Review

### Big Success on Opening Night

By Joan Roner

"Don't beat around the bush—just spit it right out," mumbled the stagehand, as Alexander's Ragtime Review December 5 went as planned, full of fun and frolic—rhythm and rag.

Keith Jensen "MCed" the gay-nineties variety show.

Little ol' "88 Davis" rendered "Twelfth Street Rag" and "The Glow Worm" in true ragland style. The tenor voice of Lawrence Miller rang out as an Irish tenor in "Mother Machree" and "Macush-la." Todd's trio, the Rhythmettes—Barbara Callaway, Kathy Miller and Marilyn Hall, sang "Sweet Georgia Brown" and "Sophisticated Swing."

The Queen of the Red Hot Mama's, Sophie Tucker (our own Arliss Klump) under red lights, sang red hot versions of "Frankie and Johnny," "There'll Be Some Changes Made" and, for an encore, "How Could I Believe You," Barbara Silva with true grace of the fresh Hawaiian breeze, swung through two hulas. True barbershop harmony filled the auditorium as Lawrence Miller, Bill Poole, Harry Jahnke and Keith Jensen harmonized on "I've Been Working on the Railroad" and "Down Mobile."

Throughout the review Joe Roberts clowned on and off the stage to everyone's delight. As a stage hand he stomped onstage whenever he could get a chance.

A melodrama—"The Return of the Prodigal Child" or "Who Was the Louise Who Took Nell from my House?" featured Joan Forbes as Nell, Harry Pease as Paw, Jim Beck as the villain and Don Seibert as the "con-sta-bule."

Karen Woll as Sweet Rosie O'Grady, sang "Painting the Clouds with Sunshine." Lawrence Miller and Edithanne Simpson, as the Student Prince and his Kathy, sang "Serenade" and "The Desert Song." Edie Neilson pranced on as the bewildered Yogi Yorgenson, telling his son of the "The Birds and the Bees."

## CAMPUS CALENDAR

- Monday, December 8:**  
6:15 p.m.—"OCE Calling" KOAC  
7 p.m.—Student Council
- Tuesday, December 9:**  
11 a.m.—Assembly, CH, Dr. Hove-land, head of department of religion and philosophy, OSC  
6:30 p.m.—WAA  
OCE vs. Willamette U (Jefferson)  
Theta Delta Phi  
8 p.m.—FTA meeting
- Wednesday, December 10:**  
Todd hall Christmas dinner  
Crimson "O"  
d'OCE do
- Thursday, December 11:**  
6:30 p.m.—WAA  
6:30 p.m.—Faculty dinner-dance  
7 p.m.—Sigma Epsilon Pi  
7 p.m.—Lamron (copy night)
- Friday, December 12:**  
11 a.m. 3 p.m.—Mr. Knudsen talk on public relations, Ad. 212  
OCE vs. Lewis and Clark (here)
- Saturday, December 13:**  
OCE vs. Linfield (here)
- Sunday, December 14:**  
Christmas Vespers, CH, (Choir)  
7 p.m.—Wesley meeting, Maple H  
7 p.m.—Westminster meeting

Arliss Klump and Edie Neilson are shown in their roles as Sophie Tucker and Yogi Yorgenson. As well as being members of the cast, Arliss and Edie were co-producers of the student body sponsored vaudeville show.

## Self-Evaluation of OCE Students Given

In response to the students' inquiry of the AACTE student questionnaire, this information was given by Mr. Lieuallen, registrar.

Students were asked to check the rating of themselves on some characteristics which are generally considered desirable for prospective teachers. The ratings are based on grade point averages, such as: 4.00-A, excellent; 3.00-B, above average; 2.00-C, average, etc.

In order of high rating to low, this is how you, the students, considered yourselves to have the following characteristics: "He believes in equality of opportunity," was rated 3.36. The next rating was 2.90 on the characteristic, "He is democratic." Following closely was, "Sensitive to moral and ethical issues," with a rating of 2.86. The last two questions were, "He is intellectually mature," 2.36, and "He is effectively articulate," 2.28.

The faculty was also checked by the students on their possession of characteristics which are generally desirable for teachers of college students. The OCE students rated (Continued on Page Three)

## Notice!!

Students entering teacher education courses winter term must have their applications approved by the faculty committee on teacher education. Students now taking education courses without approval must have approval before they will receive credit.

The committee meets Dec. 11—your application must be in the education office by Dec. 9 to be considered.

FLOYD B. ALBIN,  
Director of Teacher Education

## EDITORIAL

## WHY DON'T YOU GRAB THAT BAG???

Did you leave anyone holding the bag today? If you are an average OCE student, reports have been issued from many of your bag holders that that is a very common practice of yours. The bag referred to here is one that holds a burdensome job.

In the beginning you always construct a great big bag, and always with the implied intention that you and many others will help carry it. But in the end, you always leave one or two people holding the bag.

Do you recognize the above analogy? Here is the case undisguised: The OCE society, like any society, demands that certain services be done for the enjoyment and welfare of its members. All students make the demands for these things. Few students provide the services. Maybe it's an entertainment service, a dance, play, vaudeville, a reception, tea, or a party. Maybe it has to do with student government, organizations, clubs, or publications. Everyone recognizes them as important to student life; yet the "everyone" leaves them to the "few" to provide.

The next time you are a member of a group planning a service, remember while you plan that you are helping to construct a bag with many handles — and that you will be expected to carry part of the load.

Do not leave a few holding the bag!! —J.F.

## DID YOU LEAVE IT BURNING?

Then go back and shut it off!! You are causing an unnecessary waste when you go off leaving that light burning. If you are not using it, then turn that switch and save electricity. When your state is experiencing a scarcity in electrical power and finds it necessary to curb important users; then you should, by all means, find it necessary to eliminate needless waste of electrical current.

## Hofstetter Shows Dolls In Library 'Museum'

On display now in the educational museum cases in the library is Mrs. Dessa Hofstetter's doll collection. Our librarian states that she is not a full time collector but that this assemblage of dolls began to grow in 1937 when she purchased 10 costumed dolls to display during "Book Week" with children's books of other countries. Friends started talking about the collection until it became one.

Future teachers have been impressed with the fact that dolls may be used to stimulate interest in books. All under 10 inches in height, the dolls represent book characters, state and foreign dress, or are made of odd materials. One table exhibit case contains very small dolls that are often worn as coat ornaments. Prof. Anton Postl has loaned his handcarved creche brought from Austria together with some dolls of that country. Miss Maud R. Macpherson, librarian emerita, has an exquisite Scotch doll authentically costumed in Macpherson plaid. All the orna-

ments this doll wears were brought from Scotland.

The Littlest Angel, Peter Rabbit, Pinocchio, Rumpelstiltskin, Mother Goose and many familiar characters may be seen.

Dolls belonging to Miss Macpherson, Mrs. Francis Haines, Mrs. Vanne Dewey, and Miss Margaret Steiner are also exhibited in the group.

An invitation to visit the exhibit in the library is extended to everyone.

## Crimson "O" Selects Christmas Play Cast

The regular meeting of Crimson O was held on December 3 in Campbell hall.

Election of officers was on the agenda and nominations of eligible members were given for each office and voted upon. The results were: for president, Thomas R. Harry; for vice-president, Holly Campbell; for secretary, Jerene Strange; as treasurer, Rosalie McClintock; as reporter, Bev Jordan and for publicity agent, Katherine Taylor.

Further business included the selection of an one-act play and a cast for a Christmas play. "Chain Reaction," a complicated comedy, was chosen as the one-act play. The Christmas play, "Her Christmas Hat," (a comedy which involves the giving away of a hat monstrosity) is directed by Bud Long and includes in its cast Jim Dawson, Bev Jordan, Holly Campbell, Jim Beck, Virginia McCullen, Margaret Getty, Dorothy Walters, Milfred Barnes and Gary Burch.

This concluded the business and the meeting was adjourned.

## LOST:

Two of the student body owned staplers were used for decorating the gym on November 22. They were not returned to the office. It is believed they were both left in the dance room in the PE building. If anyone knows the whereabouts of these staplers their return would be appreciated.

## Guest Speaker Will Appear Here Friday

Marvin E. Knudsen, account executive of Richard G. Montgomery and Associates, Portland advertising firm, will be a guest speaker on this campus on Friday, December 12, when he will meet with the school organization classes to discuss a personnel subject entitled, "Solving the Human Equation." It is expected that many students and faculty members will wish to hear Mr. Knudsen when he is on this campus, but no regular assembly program has been set up for him. Any person interested in hearing Mr. Knudsen is invited to attend either of the school organization classes at 11 a.m. or at 3 p.m. on Friday.

"Planning to use Mr. Knudsen with the school organization class," states Miss Joan Seavey, dean of women, "is in accord with a recommendation made by the student welfare committee that speakers be used with smaller groups, particularly with classes that might be most concerned and yet at the same time, arrangements need to be made for other interested people to hear the speaker.

"Mr. Knudsen's appearance on this campus has been sponsored by the Regional Office of the National Association of Manufacturers. This association has a college speakers bureau and Mr. Knudsen as well as several others have met with college classes and at college convocations throughout Oregon."

All interested persons are invited to attend the discussions which are to be held in room 212 of the Administration building.

## Did You Know That

## Co-Wed Club To Meet

The regular meeting of the Co-Wed club will be held on Tuesday, December 9, at 7:30 p.m. in the cafeteria of the Monmouth Elementary school.

All wives of OCE students are invited to attend.

Dr. Floyd Albin, Miss Grace Kaufman and Miss Violet McFarland spent the latter part of last week as consultants at the Coos County Workshop.

## Wilson Attends Council

Dr. Curtis M. Wilson, professor of geography and social science at OCE, attended the Oregon Geography Council at Oregon State college on Saturday, December 6. This was a meeting of many college and university professors interested in geography throughout the state as well as many teachers of geography in high schools and elementary schools.

Dr. Wilson will present a talk to the Monmouth Civic club on Thursday, December 11. His topic will be "Central America and Mexico."

Miss Joan Seavey and Dr. William Wagner have been visiting Willamette valley high schools as members of the high school relation committee of Higher Education this past week. They have been giving information on professional and higher education opportunities to junior and senior classes.

## In The Art Gallery

The colorful exhibit in the Gallery is the original work in silk screen by an outstanding American Indian artist, Mr. Woody Crumbo of the Pottawatomie tribe.

Mr. Crumbo has portrayed Indian figures in their authentic costumes showing the ritual dances and ceremonials. The rich color, beauty of line and composition is handled with skill. Each print is accompanied by a story of the dance depicted

ed which adds to the enjoyment of viewing the exhibit.

Mr. Crumbo has painted original murals in over 100 public buildings including the new Department of Interior building in Washington, D.C.; the Museum of Natural History, New York; the Oklahoma City post office building, and the Gilcrease museum. He has won the Julius Rosenwald Fellowship and six scholarships. Students are welcome to come to the gallery often.

## Registration Time and Place To Be Changed

The time and place of registration will be changed at the opening of the winter quarter, Monday, Jan. 5, 1953. Registration will take place in Maple hall. Fees will be paid in the business office in the Administration building as usual. Instead of devoting the entire day to registration the hours will be from 9 a.m. to noon. These new hours are in effect through student request; as in the past registration has always been completed by noon and the remainder of the day has been wasted. Class will start in the afternoon of registration day, winter term.

Registration will not be done in the gym, because the floors are in good condition for basketball and registration activities might damage the finish.

## Course Changes Listed

(Continued from Page One)

467, scheduled for Dr. Kaplan, will be taught by Dr. Albin.

8. Child Growth and Development, Psy. 261, both sections, will be taught by Dr. Walker.

## ENGLISH

1. Appreciation of Drama, Eng. 247, three credits, 6th period MWF, Mr. Harding, has been added.

2. Forensics, Eng. 220, Mr. Harding, has been dropped.

3. Shakespeare, Eng. 202, scheduled for Dr. Albin, will be taught by Dr. McClure.

Note: Eng. 121, Essentials of Speech II, will be added to the schedule spring term.

## WRITING

1. English Composition, Wr. 112, 6th period, scheduled for Dr. McClure, will be taught by Mr. Francis.

2. English Composition, Wr. 111, 4th period, scheduled for Dr. Albin, will be taught by Mr. Francis.

Note: The additional section of English Composition, Wr. 111 added for fall term, 2nd period, and taught by Mr. Francis, will not be continued winter term.

## MUSIC

All classes with Mr. Stowell,

**IF YOU TEAR --  
YOUR SHOE—BRING IT IN TO  
Atwater Shoe Shop**

scheduled in Music Hall, will meet instead in MES 120.

## SCIENCE &amp; MATHEMATICS

1. Foundations of Physical Science Laboratory, Sc. 202, 1-2 periods, Th., Mr. Postl, has been dropped.

2. Biological Science Survey Laboratory, Sc. 102, 3-4 periods, T, Dr. Barrows, has been added. (This is a continuation of the Sc. 101 Laboratory added to the fall term schedule.)

## SOCIAL SCIENCE

1. Background of Social Science, SSc. 101, scheduled for 3rd period, MWF, Dr. Haines, has been dropped.

2. Background of Social Science, SSc. 102, 2nd period, CH 115, Dr. Haines, has been added. (This is a continuation of SSc. 101 added to the fall term schedule.)

## HEALTH AND PE

First Aid, scheduled for 4th period MW, will meet T-Th.

## News of Vets' Village

By Milford Barnes

We understand that Eugene Smith and Ruth Chrisman are fixing up Apartment 4-E in Vets' Village in preparation of moving in after their wedding in January.

\*\*\*\*\*

There isn't much happening down the Village way this week, except that the grass is getting pretty soggy after all the heavy dew we've had lately.

\*\*\*\*\*

Nearly everyone left the Village over the Thanksgiving holidays except the Bushnells who ate their Thanksgiving dinner at home, I believe.

## Arnold Arms' News

By Bud Long

The boys at Arnold Arms have been enjoying some very good fudge. Mrs. Denning has made it quite often lately.

§ § § §

Manfried Piontek, Arnold Arms' exchange student, spent the recent Thanksgiving vacation at the home of Jim Beck in Milwaukee.

§ § § §

Even with term exams coming

on, Arnold Arms residents have found a new pastime. It is an indoor football game brought back after the Thanksgiving vacation by Jim Beck.

§ § § §

Thursday afternoon Arnold Arms was looked over by architects. Plans are being made to remodel our sleeping porches.

§ § § §

A few of the boys at Arnold Arms have wanted their names in the paper lately so here they are — Arnie Hiembach, Dale Long, Larry Dawson, Basil Cramer, and Don Seibert.

§ § § §

Doug Nelson, a former Arnold Arms resident who transferred to EOCE, visited Arnold Arms last Sunday. He plans to move back to Arnold Arms when the new term commences.

## TODD HALL NEWS

By Peggy Allen

Preparing for exams, basketball games, dances, a vaudeville show — all made last week a big one.

† † † †

The Todd hall "Carnival Capers" which is open to the public has been postponed from December 10 to January 31. The carnival will be held in the gym and each floor is setting up one or two booths. Second Front will have a messenger booth and a penny toss; Second Rear, fishpond and pennant booth; Third Front will be in charge of the booth for throwing sponges at professors and shaving balloons; Third Rear, a refreshment and a fortune telling booth; Mezzanine, dancing. We urge everyone to keep this in mind and make it a success. Patty Watt and Marilyn Christianson are in charge of arrangements.

† † † †

Birthdays this past week were celebrated by Ann Danielson and Mary Ann Hudson. Ann Danielson and Peggy Scott also announced their engagements.

† † † †

Plans are being made for a house dance on January 6. Invited to this first dance will be the boys from Arnold Arms and West House. The girls can also ask off-campus dates if they wish.

† † † †

Wednesday, December 10, will be the Christmas formal dinner at Todd hall with the faculty reception following.

† † † †

Evelyn Neal served pumpkin pie and ice cream to the following girls after the Pacific university basketball game, Rosalie Harrold, Darlene Kinslow, Pat Holman, Dolores Poole and Marilyn Melquist.

† † † †

A tea for OCE faculty and students was held from 2:30 to 3:30 p.m. on Friday, December 5, in Todd hall's living room. In charge of arrangements was Ann Hansen.

† † † †

Before beginning Thanksgiving vacation a "tubbing" party was held on third floor for the following girls, Darlene Knaub, Gladys Goska, Peggy Allen, Edie Nielson, Shirley Moser, and Midge Stevens. Getting four or more letters just doesn't pay off, does it girls!!

## Students Rate Selves

(Continued from Page One)

the professors 3.05 in "establishing and maintaining a friendly, democratic and helpful relationship with students." The other four questions were rated nearly the same: "Inspires students to think for themselves," was given a rating of 2.50; "demonstrates the characteristics of good teaching," 2.47; "stimulates in students a genuine enthusiasm for teaching," 2.46; and "encourages students to express their own ideas sincerely," 2.39.

## Dean D. R. Dewey Called by Death

Mr. Delmer R. Dewey, associate

professor of education and dean of men at the Oregon College of Education, passed away from a sudden heart attack Friday evening, Nov. 28, as he and his wife were returning from Salem in their car.

Dean Dewey, as he was affectionately known to students and faculty over the years, joined the OCE staff in 1928. He served for a period as director of training schools and later held the position of dean of men with teaching duties in the field of education and psychology. Mr. Dewey was well known to all students of OCE during the last 24 years, with his friendliness and helpful counseling. He always had a "hi" for everyone, and has done much to make OCE the friendly place it is.

He received his bachelor of science degree at Kansas State Teachers college at Emporia and his master of arts degree from Teachers' college, Columbia university. He had done some additional graduate work at other institutions.

Dean Dewey's versatility and ability to do many jobs well appears in his past records. He served in the psychology division of the medical corps during World War I, spending considerable time at Camp Oglethorpe in Georgia. During his early professional experience he served as high school principal at Asawatomie and Paola in Kansas and as an elementary teacher in several schools in that state. Prior to joining the OCE faculty he served as director of training schools at the Lewiston State Normal school

## OSC German Students Observe on Campus

A group of German students at Oregon State college visited this campus on Thursday, December, under the direction of Dr. Zeran, dean of the OSC department of education. They were accompanied by Dr. Reichart, professor of education. These students are German teachers and have been in Corvallis since September studying the vocational education pattern in this country.

They were interested in the OCE elementary program and will return again in January. Before returning to Germany they will spend a month each in two other western states.

## Future May Bring Remodeling to Todd

Rejuvenation of Todd hall is now in a "dream" stage. But perhaps the initial step has been taken.

Mr. Annand, a Portland architect doing the work on Campbell hall, has been surveying Todd hall for remodeling possibilities during the past week. Mr. Annand will draw up and submit plans which may include built-in desks, bookcases, dressers and extra wardrobes. The plans also include finishing the floors and painting the rooms. The hallways will be painted in the near future to match the new floor recently laid.

## 'Cats, 'Cats, and Pioneers Hunt Wolves This Week

Bearcats, Wildcats and Pioneers will be stalking the Wolves during the coming week's hoop antics. All forces concerned will be out to substantiate the theory of the survival of the fittest.

The Bearcats have agreed to do battle on a neutral and spaciouly new battlefield located at Jefferson, Oregon. The fracas will be a part of the dedication ceremonies of the new high school gymnasium. Johnny Lewis will have his defending Northwest Conference basketball champions on display for the first time this season. Probable starters for Willamette in tomorrow night's game will be Dick Hoy and Bill Galvard at the guard positions, Bob Shephard at center, and Daryl Girod and Dave Gray at forwards.

Lewis and Clark and Linfield, two more Northwest loop foes, storm

into town for clashes Friday and Saturday evenings.

The Pioneers come seeking new fields of adventure in their Friday game. Last year's Lewis and Clark squad finished No. two in the NW league race. Coach Eldon Fix is having his troubles this year mending gaps left by graduation, however he does have one sure thing in Ken Servas, forward. Four other possibilities for starting berths are Milt Schroeder at forward, Don Paulson and Gary Jackson out in front, and John Feuz in under the basket.

Chief growls coming from the Wildcat lineup will be put forth by veteran center Ted McKee, and a made-over forward, Grant Schiewe, at guard. Joining McKee and Schiewe in the starting lineup will be Duane Leggett, freshman Dave Sanford, and Milt Krueger.

## JV's Nab Three Straight Wins

The OCE junior varsity made it three conquests in three attempts this past week as they opened the current basketball season.

The young Wolf fledglings overcame an eight point lead in the final chapter to top the Pacific university seconds in the season's opener, 50-48. Southpaw Keith Jensen dumped in two gift tosses with time running out to pave the way for the victory. Don Gillespie and Gene Owens were high for the winners with 10 points apiece. Adams of Pacific led all scorers with 16 tallies.

The JV's stepped into the high school ranks Thursday evening and bopped Perrydale high school, 54 to 46. The Wolves led at all quarter stops and possessed a 30-24 half-time edge. Perrydale's forward, Brooks, led the scoring with 16 points. Terry Mahoney topped the home town crew with seven.

Gene Owens potted 18 points from his guard position to pace the junior varsity in their third triumph of the week in the Friday tussle. The victim was the Albany Teachers squad, who were bounced 76-66. Kutsch, of the teachers, took scoring honors by pumping home 20 counters.

All three games were played on Oregon College of Education floor.

# Wolfpack Takes Opener, Splits 2

The 1952-53 version of OCE hoop artists was revealed Tuesday evening and the Willy Wolves made their debut an auspicious one by dumping the Badgers from Pacific university 66-56.

The Wolf Pack spotted their country cousins from the Northwest Conference to a five point lead before Frank Grove looped in the first two points of the season. The stocky center added 12 more points in the course of the evening's shenanigans to tie teammate Bob Frantz for OCE high point honors.

The contest was rugged from the start and the brawl became more intense as the time neared for the final buzzer. However, with all of its roughness, no one received an early shower because of too many infractions.

The Badgers had their moments of glory in the first half and particularly in the initial quarter when they led by a score of 15-12. The half-time score was 27-25 in favor of the home town crew.

With the resumption of hostilities after the midway moments of recuperation, the Wolves began to click in fine fashion and sped to their widest margin, 47-34.

Things looked dark again when six-foot five-inches of bones wearing glasses hit a hot spell and narrowed the score down to a two point margin, 54-52. Dick Young soon cooled off and the victory was attained. Young was high point man for the Badgers with 13 tallies.

PACIFIC

Palmquist, g	1	0	1	2
Pinion, g	3	2	2	8
Totals	26	14	16	66

Free throws missed: PU 9 (Agee 2, French 4, Hubert, Folquet, and Young); OCE 8 (Sullivan, Frantz 2, Chamberlain, Lewis 3, Pinion.)  
Field goals attempted: PU, 57; OCE, 63. Percentages, PU 38.6%, OCE 41.4%.

The Wolfpack found prowling in foreign lands a bit rough last weekend as they split a two-game basketball series with Southern Oregon College at Ashland. The Red Raiders swiped the Friday night contest 66-55, while the OCE stalwarts coped the game the next evening 64-56.

The Ashland quintet, paced by Leon Keefe and Ken Kimura, erased a one point half time deficit to snare their win. Sixteen tallies by Bob Frantz served to spearhead the OCE offensive drive.

The Saturday night contest was just as nip-and-tuck during the first half as the previous night's clash, with the Wolves on top 32-31 at the buzzer. Sharpshooter Frantz again topped the Monmouth crew with 18 points.

Keefe and Kimura accounted for a total of 70 points in the two games. Keefe hit for 19 points each evening.

(Box scores in next week's paper.)

## Bearded Basketeer

George "Andy" Anderson (above) will bring his bearded House of David basketeers into town on December 17 for an exhibition tilt with the OCE Wolves. Andy has been manager of the Whiskery Basketball club since 1937. He also plays guard. Anderson is but one of many stars, including Frank Mataya, who will provide the Monmouth area fans with some surefire entertainment.

# Intramural

## Houston Paces All-Star Vote

Lynn Houston, pass flinging back of the Mammy's squad, achieved the distinction of being the only player to receive the unanimous vote of the team captains for the 1952 intramural football all-star team.

The Mammy's aerialist was joined by Bob Sesar, the league's top scorer; Ed Montgomery; another "arm", Les DeHart; and Lyle Henderson, two pass snaring ends on the first squad. The battle for the sixth slot on the honor squad wound up in a deadlock between Don Brostrom, Ray Nairn and Harry Pease.

Sesar was the mainstay of DeHart's Slippery Six squad. Montgomery and Henderson sparked the West House crew, coached by Pease. Don Brostrom held down an end position for Nairn's Independent team.

A three-way tie also resulted in an eight man second squad. The players were chosen by the team captains on the basis of 10 points for being named on a first team ballot and five points for second team recognition.

Team captains are Les DeHart (Slippery Six), Frank Maxwell (Mammy's), Ray Nairn (Independents), Harry Pease (West House), John Pizzuti (Vets' Village), and Basil Cramer (Arnold Arms.)

Number in parenthesis indicates number of first place ballot votes.

West House	2	3	1	.400
Vets' Village	1	4	1	.200
Arnold Arms	1	4	1	.200
Vultures	1	4	1	.200

## S.S. Cop "I" Title

The Slippery Six crew copped the intramural football championship by virtue of a highly disputed touchdown. What proved the deciding six points came when Bob Sesar bounded over for a score. The Independent squad claimed that the runner was nailed on the four yard line. The yelping was to no avail and the touchdown went into the books as valid.

On the opening play the Independents scored on a sleeper as Ron Jones passed to Gene Lebold who went 57 yards for the touchdown. Ray Nairn ran for the extra point. Sesar came back and scored for the Slippery Six six plays later. The extra point was missed. After driving to the four yard line a penalty set the Independents back to the 19 yard line and on the next play Les DeHart intercepted a pass and ran it all the way back. The P.A.T. was good. Then came the "gifted" touchdown. After that the Independents drove to a touchdown with Ray Nairn scoring, and the game ended shortly after.

Other action saw Mammy's win by forfeiture over Vets' Village and sweep past the Independents into the runner-up slot.

Slippery Six	6	7	7	0	— 20
Independents	7	0	0	7	— 14

Honorable mention: Lawrence Miller (1), Vets' Village; Bob Kirkland (1), Independents; Jim Riggs, Vets' Village; Nick Bolas, Arnold Arms; Guy Hehn, Mammy's; Ron Ball (1), Vultures; Frank Rosenstock (1), Vultures; Dick Balch, Vultures; Ron Jones, Independents; John Pizzuti, Vets' Village; Leo Poole, Vets' Village; Howard Sullivan, Vultures; Roy Dean Hill, Independents; Dale Harp, Slippery Six.
